LOCAL MEN IN PUBLIC EYE TO DAY HOSPITAL WILL ASK

FOR ABOUT \$150,000 And No Paring Down If Institution is to be Kept Efficient.

Appeal From Decision of Railway Board is a Precautionary Measure.

1914. For years the controllers have been cutting down the hospital appropriation, and the members blame to a great extent this paring for the conditions at the institution. Last year the according went over the various departments of their work and figured that

on that will come in this they would need at least \$134,000 for consideration in a finary.

1913. The controllers, after much dever before is the city. It is the controllers of which meet to prepare estimates for less the controllers have t last, an overvee.

I saw Mayor Allan, out of his be surplus, gave the board a bonus of \$11.

God, and this allowed the institution to wind up 1913 with an overdraft or \$14.50. This time the governors plan to set, for about \$150,000, and they claim the second of the second of the second (Continued on Page 11.)
